## **BRIGHTON CAN DO IT AGAIN**

Dennis Hebdien, Brighton Labour MP from 1964-70 says "In 1964 Brighton elected a Labour MP. In 1979 Labour can overturn a similar Tory majority and elect Dave Hill as MP for Brighton Pavilion. He has been a first rate Councillor. He will be an excellent MP."

Greetings to Brighton and best wishes to Dave Hill—the Labour Party Candidate. I look forward to his support as the Member of Parliament for Brighton Pavilion in due course, and I am confident that he will give faithful service to his constituents and make a considerable contribution to our national political life.
